

**TRANSPORTED COOLED SEMEN BREEDING CONTRACT 2006**

This agreement is made this \_\_\_\_\_ day of \_\_\_\_\_, 2006,  
By and between Jeanne McDonald, owner of TANTRIS, and \_\_\_\_\_,  
Owner of the mare \_\_\_\_\_.

In consideration of \$1800 (\$1500 Stud Fee and \$300.00 Non-refundable, booking fee). I, Jeanne McDonald and Turning Point Farm, hereby agree to breed the German Verband APPROVED OLDENBURG stallion TANTRIS (33-03134-89) (**also North American Oldenburg and International Sporthorse Registry approved, BUT no longer active**) to \_\_\_\_\_'s mare, \_\_\_\_\_, Breed \_\_\_\_\_, registration # \_\_\_\_\_. If the mare does not maintain pregnancy, resulting in a live foal (lives 24 hours) as stated by a certificate from a qualified veterinarian, I agree to grant additional COOLED SEMEN deliveries for said mare from said stallion during that season. If this breeding season is missed, additional deliveries will be sent next spring only upon a veterinarian's certificate that the mare is in healthy and sound breeding condition, including a current Negative uterine culture. This is a transferable contract with written permission and a nominal transfer fee. The contract must be fulfilled within three years or if the stallion becomes unfit for breeding; the contract becomes null and void.

The mare owner also agrees to pay a collection and processing fee of \$150.00 per collection (**and if less than 24 hours notice, an additional \$50 fee = \$200**) plus any shipping fee incurred from sending the COOLED semen. A refundable container deposit of \$300.00 is due before delivery of semen. The other above expenses will be deducted from your \$300 container deposit after the container has been received back; the remainder will be returned to you.

Jeanne McDonald and Turning Point Farm, assume responsibility only to deliver live, COOLED semen in viable condition at the time of delivery to the Mare owner's farm, provided the mare owner complies with all items as stated herein. A licensed veterinarian must administer the semen on the day of delivery or the mare owner shall not be considered to have fulfilled the contractual obligations herein and all privileges and guarantees in this contract shall consequently not apply.

Mare owner agrees to return container, the ice packs and all cleaned containers **within 5 days of delivery** or forfeit the container deposit.

The mare owner shall assume all responsibility for the condition of the mare and shall bear all risk or loss or damage to the mare whether by death, disease, injury, infection, or otherwise and by any case whatsoever, And therefore agrees not to hold Jeanne McDonald or Turning Point Farm, and/ Or its agents or employees responsible for any and all damages associated therewith.

To become valid and binding, this contract (executed in duplicate) Must be signed by both parties and the original returned to Jeanne McDonald at Turning Point Farm.
